The Tech

VOL. XXV. No. 18. BOSTON, MASS., MONDAY, NOVEMBER 6, 1905 PRICE THREE CENTS.

FOOTBALL GAMES.

Sophomores Win 5 to 0.—Freshmen Play Tie Game.

In games marked by the rowdyism of the opposing teams, the Sophomores defeated the "Kenwood Academy" team, 5 to 0, and the Freshmen failed to score against the Colonial Athletic Club. Both Technology teams played clean, hard games, but the rough, dirty playing and the continual kicking against decisions by the opposing teams made farces of the games.

The Freshmen were so guilty of fumbling that they were unable to score. The team worked together better than it had formerly and, on the whole, showed decided improvement.

The Sophomores played a good game, and had the other team not wasted a large per cent of the time, would have scored several times. In the second half, Daddow, on a fumble took the ball the to Kenwood's five-yard line. There was still six minutes to play, but as Kenwood continually played off-side in order to waste time, Coach Ball, who was umpiring, declared the game ended and sent the Sophomores from the field.

The line-ups were as follows:

1908.	KENWOOD.
Smith, l.e.	r.e. Eldrack
Glover, l.t.	r.t. Creutz
H. Allen, l.g.	r.g. Beatty
Thurlow, c.	c. Burke
Daddow, r.g.	l.g. Delaney
Ellis, r.t.	l.t. Morrill
Putnam, r e.	l.e. Marcy
Soule, q.b.	q.b. W. McGowan
Barnes, l.h.b.	r.h. b. B. McGowan
Boylston, l.h.b.	l.h b. Kelley
Heilman, f.b.	f.b. White

Score, 1908, 5, K. A. A., 0. Touchdown, Glover. Referee, H. Ball. Umpire, Yendley. Timers, Adams and Dolke. Time, 10 and 5 minute halves.

1909.	COLONIAL A. A.
Whitney, l.e.	r e. Clinton
Cook, l.t.	r.t. Bailey
Judd, l.g.	r.g. Gerlack
Bennett, c.	c. Jacobs
Critchett, r.g.	l.g. Butler
M. Fletcher, r.t.	l.t. Burkhardt
C. Fletcher, r.e.	l.e. Walsh
Hert, Gregory, q.b.	q.b. Murray
Wentworth, l.h.b.	r.h.b. L. Kelley
Godfrey, r.h.b.	l.h.b. E. Kelley
Eaton, f.b.	f.b. Pallon.

Referee, Connolly. Umpire, McLaughlin. Timers, Adams and Dolke. Time, 15-minute halves.

TARGET PRACTICE.

A number of '06 men went to the target practice last Saturday, as well as the usual number of Freshmen. The Sophomore Class was also represented.

The highest scores were made by the following: F. E. Wilcox, '06, 21; F. C. Perry, '08, 20, out of a possible 25. Among the Freshmen D. P. Marvin and C. G. Koppitz were ahead, both making 16 points.

MINING ENG. SOCIETY.

Talks on Summer Work Given by Several Students.

At a meeting of the Mining Engineering Society held last Friday afternoon in 2 Rogers the following names were proposed for membership: From '06, C. R. Wilfley; from '07, L. R. Davis, H. M. Lewis, W. P. Monahan, J. T. Rehn, E. H. Temple, A. E. Wiggin and R. H. Willcomb; from '08, T. K. Tse and A. N. Penny. The program for the current year was outlined by President Heywood and a good attendance was urged for the future meetings. It was voted to form a reception committee of ten, composed of men from the Senior, Junior and Sophomore Classes, to assist in having the members meet the speakers at the future meetings.

Some very interesting talks on work done last summer were given by members. A. E. Wells told of his work at a Minnesota iron mine; J. H. Polhemus and A. P. Watt gave accounts of their experiences and work in a Cape Breton coal mining camp and explained the methods used there; J. H. Leavell spoke briefly of his work in a Texan Cinnaba mine, describing a new method of mercury assaying. The talks were well illustrated by diagrams and sketches.

Messrs. Raynolds, Watt, Williams, Hampton, Jaccard and Rood were chosen for the program committee. The three men from '08 are to be chosen later.

CIVIL ENGINEERING SOCIETY.

The regular meeting of the Civil Engineering Society, was held last Friday afternoon, in 6 Lowell. Mr. C. B. Breed, of the Department of Civil Engineering, introduced the speaker, an old college friend, and gave at the same time a brief account of the history of the United States Geological Survey. Mr. H. K. Barrows, Tech, '95, at present connected with the Hydrographic Office of the Geological Survey, addressed the meeting on "Hydrographic Work in New England." The address was abundantly illustrated and covered briefly the methods and purposes of the work, together with a more detailed account of its growth and rapid extension during the past five years. Mr. Barrows showed maps and charts and gave to those interested, descriptive circulars of the publications and maps of the Hydrographic Office.

The usual routine business of the society was quickly disposed of, at which time an unusually large number of new members were elected.

Y. M. C. A. — On account of the General Convocation next Thursday, November 9, the regular weekly meeting of the Christian Association will be omitted.

CROSS COUNTRY.

Championship Race Will be Run on the West Roxbury Course.

The Annual Handicap Cross Country Championship race will be run over the eight mile West Roxbury course, Saturday, Dec. 2. The limit of the handicap time will be one minute per mile. Prizes are given for first, second and third places, and to the men making the best time, regardless of handicap. The emblem cTc is given at the discreation of the Athletic Advisory Council to the four making the best time.

Only members of the Cross Country Association may compete and any registered student at the Institute may enter by first joining the Cross Country Association, and paying the yearly dues of fifty cents.

All entries should be left at the Cage for A. R. Hunter, '08, before five o'clock Monday, November 27, 1905, An entree fee of 50 cents is charged, but this includes the carfare to and from West Roxbury the day of the race.

Men may go over the course on the following days: Sunday, Nov. 19; Saturday, November 25; Tuesday, November 28; Saturday, December 2. The round trip fare is twenty cents. The train leaves the Back Bay station at 1.40 P.M.

FRESHMEN TUG-OF-WAR.

Thirty-one men were selected Saturday afternoon, as being those who were to make up the Freshmen Tug-of-War team. The six substitutes were not designated and no one of the lucky ones knows yet if he has made the team. This squad has not been pulling regularly on the same side of the line, only enough to develop some team work. The weighing in was done Friday afternoon, and though the average is not very heavy, the new men are strong and have plenty of life.

Everyone of those who are not of the thirty-one, but have been pulling, and even those who have not pulled at all, must come out and give the team a chance to practice together. Here is a chance to show class spirit and prove that it is not the numerals that have attracted candidates.

The thirty-one are: Leeder, Turnbull, Ficke, Bachelder, Flagg, Glancy, Scharff, Mace, (capt.) Hooper, Bundy, Elbert, Pepper, Lisbet, Jacobs, Garrett, Herold, Dow, Miller, Taite, Symond, Ware, Black, Neill, Bowers, Cookingham, Lord, H. Miller. Nickerson, Dort.

A CONVENTION OF TEACHERS.

The Norfolk County Teachers' Association held its fifty-ninth convention in Huntington Hall, last Friday.

Most of the morning was occupied by department meetings, but in the afternoon the general session convened for the election of officers.

CALENDAR.

MONDAY, NOVEMBER 6.

4.00 P.M. Mandolin Club Rehearsal in 31 Rogers.

4.00 P.M. Banjo Club Rehearsal in 33 Rogers.

4.00 P.M. Glee Club Rehearsal at the Tech Union.

8.00 P.M. Lowell Institute Lecture in Huntington Hall.

TUESDAY, NOVEMBER 7.

8.00 P.M. Lowell Institute Lecture in Huntington Hall.

WEDNESDAY, NOVEMBER 8.

3.30 P.M. Dr. White Lectures on "Personal Hygiene."

FACULTY NOTICES.

FOURTH YEAR.—The exercises in Elementary Metallurgy began Saturday, November 4, at 10 o'clock in 2 Rogers.

COURSE III, THIRD YEAR. PHYSICAL LABORATORY. — Students in Course III, third year, will meet for first exercises assigned for physical laboratory as follows: Sec. 2, Monday, November 6, in 23, Walker. Sec 1a. Wednesday, November 8, in 23 Walker. Sec. 1b, 3, Thursday, November 9, in 24 Walker. Students should file laboratory section cards in 16 Walker, this week, Oct. 30 to Nov. 4.

NOTICES.

HARE AND HOUNDS. — The Hare and Hound chase scheduled for Saturdry, Nov 4, was postponed on account of the weather. The next run will be on Saturday, Nov. 18.

FIELD DAY.— Ten marshals for Field Day, November 11, have been appointed from the 1907 class as follows: L. Allen, Packard, Elden, Woodward, Starkweather, Albro, Richards, Peabody, Parlin, Thatcher.

ORCHESTRA.— More violins are needed in the Orchestra. See the leader at the Tech Union, Mondays and Thursdays, at 4.15 P.M.

1908 DUES.—The time for payment of Sophomore Cluss dues has been extended until next Saturday at 1 P.M.

GLEE CLUB.—Glee Club rehearsals, until further notice, will be held on Monday and Friday afternoons at 4 o'clock at the Union.

Dr. F. W. White, the medical adviser of the Institute, will give three lectures on personal hygiene in Huntington Hall, on Wednesdays, November 8, 15, and 22, at 3.30 P.M. These lectures are intended for all men at the Institute, and all such men are urged to attend. Any members of the instructing staff or of the student body who may wish to avail themselves of the excellent advice which Dr. White gives in these lectures are also cordially invited to be present.

The Tech

Published every Monday, Wednesday and Friday during the college year (from September to June), by students of the Massachusetts Institute of Technology.

Entered as second-class matter October 6, 1904, at the post office at Boston, Mass., under the Act of Congress of March 3, 1879.

The Outlook.

A searching comparison of the Sophomore and Freshman teams is not easy to make, since only the football teams have had contests, and even in that case no common opponent. Both of the football teams have some good individual players, but neither is strong on team work. In the relay, judging from the showing made in the Handicap Meet, the Freshmen have a slight advantage. In the tug-of-war, where the relative weights are not accurately known, the advantage is with the more experienced and better trained Sophomores.

There is, however, in none of the teams so decided an advantage but that it can be entirely reversed by the practice in the remaining five days. Upon the work during the present week, and upon the support given the teams during these five days and upon Field Day itself will the victory depend.

"Write to Us."

THE TECH has many times said it is glad to receive communications. Think now, isn't there something around the Institute that doesn't suit you? Write out your kick; have the satisfaction of registering it. Isn't there something you would like to see done, either by the Faculty, the Athletic Association, the Advisory Council, or the fellows themselves? Ought hockey and baseball to receive support from the Advisory Council on Athletics, the same as Track? Should Freshmen be taken onto the Technique Board? Any and all of these questions are open for your discussion. Wouldn't you like to have an influence on public opinion someway, just for the fun of it?

All that is requisite is that your communication comes to us signed. The signature is not printed at all when so desired, that is just to be certain that the communication is in good faith.

THE TECH wants to become an expression of your opinions.

COMMUNICATION.

The Editors do not hold themselves responsible for opinions expressed by correspondents.

To THE EDITOR.—Dear Sir:

In reply to your editorial of Friday we submit the following:

The Globe Theatre asked $400 for having last year's Tech Night. This year they positively refused to consider a repetition of this affair. Of the remaining playhouses the Columbia would willingly take Tech Night and the Park would take it under conditions. We abolished the former on account of the demoralizing spirit of its plays and audiences and accepted the latter in hopes of elevating Tech Night from a display of rowdyism to a hearty "college night."

"The Lion and the Mouse," at the Park, is very interesting and well able to hold the attention of the audience. The management of the theatre forbids any interruption of the play. Between the acts cheers may be indulged in, well given and received. This year the outsider will not be deluded. He will see a true "college night" while last year, he was deluded into seeing mere rowdisym.

Public opinion in the Sophomore Class, in Technology, and in the Faculty, agrees with this year's choices, and aim to elevate Tech Night.

(Signed)
Sophomore Theatre Committee,

AT THE THEATRES.

Tremont Theatre.

This is the record week of Grand Opera at the Trement Theatre. Last week the house was crowded, and much enthusiasm was shown at every performance. Tonight, "Valkyrie" will be rendered, and during the rest of the week, "La Bohemi," "Faust," "Aida," "Lohengrin" and "Rigolette" will be played. There will be changes in the cast in a number of instances, Madame Serena having the role of Mimi in "La Boheme," Misses Remnyson and Albright singing in "Aida," Mr. Sheehan playing in "Faust," and Miss Easton again appearing in "Rigoletet."

Majestic Theatre.

"As Ye Sow" commences its fifth week at the Majestic Theatre tonight. The first month has achieved a popularity for this drama that has been unsurpassed in a decade by a rural drama, and the advance sale of seats seems to indicate that the coming month will be but a repetition of the first. At the Tuesday, election day, evening performance, the returns from New Yotk and Massachusetts will be read between the acts and as a private direct wire has been secured patrons will be kept informed of the latest news.

1908 RELAY TEAM. — Practice every afternoon at Charlesbank Gym. It is very necessary that the men turn out regularly.

FENCING.

The M. I. T. Fencing Association held its first meeting of the year in 11 Rogers, on last Friday, at 1 o'clock. The officers elected for the ensuing year were. J. Lage, chairman; E. M. Berliner, secretary; and L. Fournon, coach. It was not considered necessary to have a treasurer, since the manager of the team has charge of all the finances of the association. No elaborate constitution was drawn up, the association being too small at present to need one, but it was decided to send a circular letter to all the New England colleges with a view to forming a local fencing league. Chairman Lage announced that no real work will be undertaken with the varsity until the fall sports are over. A general discussion of the present condition and necessities of the association led to a number of proposed changes.

FRESHMEN NOMINATIONS.

Nominations will be received by the 1909 Committee on Elections at the Cage until 4 P.M. Monday, Nov. 13, for the following officers: President, Vice-President, Secretary, Treasurer, Clerk, two Directors, and two members of the Institute Committee. Each nomination must be signed by ten members of the class. Printed ballots will be mailed to all members of the class, and must be returned, filled out, to the Committee at the Cage before 4 P.M., Friday, Nov. 17.

MUSICAL CLUBS.

The first concert given by the Musical Clubs will be held at the Boston Harbor Club, Thursday, November 16, at 8 P.M. The clubs have now all been picked, and real work is beginning. Before the winter concert to be held December 20, the clubs will give four concerts: November 16, at the Boston Harbor Club; November 24, at North Attleboro; November 28, at the Boston Young Men's Catholic Association, and December 14, at the Lynn Y. M. C. A.

The management of the Musical Club announces the appointment of A. L. Gardner, '08, to the position of assistant-general manager.

TALK BY ACTING DEAN MERRILL.

During drill, last Wednesday, Actina Dean Merrill gave a talk to the Freshmen. He took this opportunity as one when the greater number of the class would be present. The substance of his remarks were advisory. He dwelt on the results of the first five week examinations and urged those who had failed to visit him and talk the matter over. On continuing he gave notice of three talks on hygiene, by Dr, White, to be held in Huntington Hall, commencing next Wednesday at 3.30 P.M. Drill will be excused that the class may be present.

MR. RICKARDS, '99, PROMOTED.

Burt R. Rickards, M. I. T. '99, has been appointed director of the bacterological labratory of the city Board of Health. He has been an assistant for the past five years, so that the appointment is a promotion. Mr. Rickards made a specialty of Chemistry, and after one year's teaching at the Lowell Textile School, he came to the Board of Health labratory. His work there has been largely in the diagnosis of infectious diseases, and the divising of simpler but surer methods of examining suspected sputum and other depecta of disease. Mr. Richards is a member of the American Public Health Association, the Society of American Bacteriologists, the American Chemical Society, and the Massachusetts Association of Boards of Health.
